In Clean Soups, author Rebecca Katz shows you how to use wholesome stocks and soups to naturally detox and stay energized year-round. She also explains the building blocks...

Review: I was looking forward to using this book to make cozy and healthy soups over the winter. Unfortunately the tiny font makes this book virtually unusable. It is not a pleasure to read and I feel most people would have trouble peering at it on the counter top without a magnifying glass when they are cooking. So sad that the author accepted this poor format...
